Work Experience

Graphic & Motion Graphics Designer

Blueclip - JellySmack / Jan 2023- July 2023

I worked in the Creator Program team and my responsibilities were to design brand guidelines and animate motion graphic templates for the video production team.

Skills

- ◆ Motion Graphics
- ◆ Graphic Design
- ◆ Art Direction
- ◆ Photography
- ◆ Video Editing

Graphic Designer

TesterYou / November 2020- 2022

I was responsible for creating and maintaining the visual identity of the company through designing social media posts, animations, and branding material. I animated content for ads, Youtube videos, and Instagram stories. The animations are a regular feature of the intro/outro of conference talks.

Software Knowledge

- ◆ Adobe Illustrator
- ◆ Adobe AfterEffects
- ◆ Adobe Photoshop
- ◆ Adobe Premiere Pro
- ◆ InDesign

Graphic & Motion Graphics Designer

Pak Alliance for Maths and Science / Nov 2021 - Feb 2022

I animated educational videos for a special project under the umbrella of PAMS. During this project I designed and animated characters and other visuals to do with STEM education. These videos were used as tutorials to help teachers in government schools across Pakistan.

Languages

- ◆ English (Bilingual)
- ◆ Urdu (Native)
- ◆ Turkish (Intermediate)
- ◆ French (Beginner)
