

Harshita Darolia

Visual Communication Major Student

About me

I am a 2nd year Visual Communication Major Student. From Typography to Website design, Editorial to Copywriting, I'm always up for trying new things. I love the thought of bringing ideas to life through ideating and experimenting new things.

Storytelling

Projects I've worked on

Building a platform to sell local artisan products
(group project)

-Conducted user research, identified user pain points, built an e-commerce platform for the users to buy local artisan products.

-Worked with UX/UI designers from google to understand how to conduct the research and apply it.

Redesigned the book cover for the 'The Midnight Library'

Designed stamp for 'Red bull'

Software skills

Illustrator, Photoshop,
Indesign
