## PROFILE

I'm a designer with two years under my belt, increasingly drawn to brand strategy. I like keeping things organised and efficient. Whether I'm managing my own work, collaborating with teams, or taking an idea from its messy beginnings to something polished. I'm naturally curious and thrive on variety. Working across different projects helps me see patterns and build brand systems that actually hold up.

## WORK EXPERIENCE

**Yellow Umbrella Creative**  
Jr Graphic Designer & Visualiser

SEPT 2022 - APR 2024

- Worked on brand collaterals, pitch decks, and marketing creatives for multiple clients, translating briefs into execution-ready outcomes.
- Actively contributed to ideation and planning discussions, adding fresh perspectives beyond the brief to improve clarity, structure, and overall visual direction.
- Managed multiple projects across diverse clients, ensuring timely delivery while maintaining brand guidelines and visual systems.
- Took ownership of task planning and execution, proactively offering technical support, content ideas, and visual direction to strengthen both client work and the studio's own brand presence.
